 Patsy Wedding Annual Youth Scholarship

It is important that you get this information to your Coaches and/or any graduating High School Seniors, College Students, or Trade/Technical School Students that are in your bowling programs.

We need everyone's help in getting these applications out to the bowlers. Please be sure they use only this year's current applications.

The Florida State USBC Association typically gives out eight to fifteen \$1,000 scholarships each year. How great it would be if a youth bowler from your association center could receive one of these scholarships? This can happen with your help.

Please run as many copies as you need to get these very important papers into the hands of your dedicated coaches and youth directors. These individuals will see that their graduating seniors and college, trade, and technical school students will get and complete these applications. Ensure they mail the applications on time and you may have a winner at your center.

As always, thank you for all you do for the youth bowlers in your center and the Florida State USBC Association, Inc.
