

# Florida State USBC

## FLORIDA STATE USBC NEWSLETTER

June 2021

### President's Message

Fred McFarland

As most of you reading the newsletter know we're in the middle of our tournament season. The Women's State just wrapped up in Fort Myers I want to thank the Southwest Florida association, along with Bowland Coral Lanes and Lighting Strikes for hosting a successful tournament. This year's tournament was up in entries over last year's. The Open has 3 weekends left and is being cohosted by Suncoast USBC and Gulfcoast USBC. Seminole Lanes and Dunedin Lanes are the two centers hosting the tournament. I want to acknowledge both associations and both center's staff on doing a great job with the work needed to run a smooth tournament. There have been several 300 games and multiple 800 series. The first 800 of the tournament was also the bowler's first. As I stated, the ladies were up in entries and the Open increased by 35% over last year. Hopefully, this is an indication bowlers are coming back. Youth tournaments The Pepsi and Florida state handicap were held at Brandon Crossroads in March and April. The Florida State Youth Scholarship tournament begins the first weekend in June to be held at Pinchasers Midtown and East Pasco.

Associations are encouraged to bid on our tournaments, even if you have a small center some of our tournaments don't need a large center. If interested in bidding on a tournament contact the association office for more details of the requirements for any of our tournaments. If you feel that you would like to meet with an association official to discuss hosting one of our tournaments, please contact the office to set up a meeting to get information on the requirements needed.

Just a reminder the Men's only tournament will be held this coming November. Entry forms are available online at [floridastateusbc.com](http://floridastateusbc.com). The Women's Senior tournament will also be held in November. Info to be forthcoming.

I am very happy to report that all of our State sponsored tournaments increased in entries over the previous year. We want to thank all of our members, youth and adult for participating. We anticipate the entries increasing for our 2022 tournaments as the threat of COVID decreases.

The Pepsi and the Women's state tournaments have concluded, The Open is underway and the Youth begins the 1st weekend of June. We have the Women's Sr. tournament and the Men's only tournament coming up in November. The Women's Sr. tournament has now added a team event and is open to all members 50 and over. Tournament entries are available on our state website [Floridastateusbc.com](http://Floridastateusbc.com).

The deadline to host the 2023 tournaments is July 31st. Bid information has been sent to all local associations. If you have any questions on doing a bid feel free to contact me and I will guide you through the process. In case you missed the new compensation plan for local associations bidding on all adult tournaments, the local receives 75% of the profits from the tournament, the state gets 25%. The money generated comes from brackets, share the wealth, ball raffles and local ways and means.

The Men's only tournament that will be held in Nov. is now being sponsored by the Florida State USBC, in addition the Mixed tournament run by Bob Peters for many years will be held the first 2 weekends of April, 2022 at Bowland Cape Coral. The State Board voted to rename the Mixed tournament the Bob and Connie Peter's Memorial Mixed tournament and the 1st tournament to be held in Southwest Florida. This tournament will be open for bid with all other tournaments in 2023.

We need more associations to bid for the tournaments in 2023, talk to your proprietors, your board, your members, your chamber of Commerce and your sports commission where you have them, about bidding. Again, the bidding deadline is July 31st.

All tournaments for 2022 have been approved and voted on by the delegates at the October Annual meeting last October.

Well, we thought that 2020 was a rough year - 2021 has not been much better.

We may have gotten through the worst of the pandemic; however, the news of the deaths of bowling family/friends keeps coming in daily. Our thoughts and prayers go out to all the families of those who have been impacted by unexpected, (accidents) non-medical deaths, as well as those that have succumbed to whatever medical condition they may have been suffering; however, you are never really prepared to lose someone.

In Marion County bowling is getting back to the pre-pandemic status with the 2020-2021 fall leagues almost at full capacity (completed now), summer leagues in full swing, bowlers stopping

by to throw a practice game or two and center hours becoming more consistent. That has been the biggest obstacle to overcome is knowing when the centers were open and when they would allow bowlers to come in and even get a lane to practice much less what leagues were going to be allowed to remain on the same day and at the same time as they had pre-pandemic.

Centers, in our area, are still understaffed and may never return to full staffing as businesses (corporations mostly) feel that they are saving money by not having a full staff and to that end customer service has taken a huge decline - unfortunately, the bowlers are the ones suffering and until they (the bowlers) demand more out of the owners or corporations, customer service may never return. The **bottom line** (profit) is all that corporate America is concerned with - not how they treat the customer to get to that point. Someday it will come back to haunt them when the customers stop coming in to purchase their product or use their facility. It will be too late to worry about how they treated the customer when their doors close to never reopen.

The Marion County USBC held its annual meeting which included election of officers and directors, a review of the minutes and treasurer's reports from the 2019-2020 and 2020-2021 season with moving forward into the 2021-2022 season.

Congratulations to the following officers:

Lora Howard, President  
Mary Cummings, 1<sup>st</sup> Vice President  
Cheryl Knox, 2<sup>nd</sup> Vice President  
Mike McKinney, Sergeant-At-Arms

and directors:

Lisa Aeschliman	Brian Brazeau
Sandra Eldridge	Reanee Garitta
Helyn Hollenbeck	Rita Rice
Joyce Rumbaugh	Tyson Kurth
Steve Warren	John Whitten, Jr.
Steve Somerville	

A big thank you to those officers and directors who either did not seek re-election or were not re-elected to the board for their previous service to the bowlers.

Since we were unable to hold the Hall of Fame induction in 2020 the Marion County USBC will be holding an induction dinner for the 2020 and the 2021 inductees on June 5, 2021. Congratulations to James Rattley, Jr., Shawn Prevatte and Larry Barr (posthumously) for Superior Performance and Mary Cummings for Meritorious Service.

The USBC National Convention was quite different this year being held virtually. The speakers made interesting points about the decline in membership and the uphill battle that will be faced by most of the associations in attempting to get bowlers back on the lanes. Chad Murphy, CEO of USBC noted a 42% decline in members in the 2019-2020 season due to the pandemic and that USBC may never see that much of an decrease in membership again. Chad also advised the delegates that the dues increase scheduled for the 2022-2023 season will go forward (this was voted on by the delegates at the 2017 convention). National dues will be \$15 beginning

August 1, 2022.

There were some technical difficulties during the legislative voting which were corrected but did cause some concern that not all the votes were counted. Once everything was up and running and voting resumed everyone was assured that their vote was received. Of the 1280 possible votes, which was the highest number of delegates since the 2011 convention, 640 was the highest number of votes cast for any of the proposed legislative amendments. Did the other 640 delegates not vote on the various proposals? Good question. Would they have voted if the convention had been held in Las Vegas? We will never know.

Changes made by the USBC Board (as they have that authority to make changes without bringing it to the delegation) after the virtual convention are:

Adding a section to Rule 16 limiting adult membership to individuals 18 and older only. This means that adult leagues that added a rule the only bowlers over 18 can join the league may remove that caveat as USBC is making that a rule.

Removal of the wording “youth directors” from the bylaws of merged state and local associations. All board members will be considered “directors.”

Changing the number of USBC directors to comply with Olympic bylaws which requires 33.3% of the members to be considered athlete representatives.

In the blink of an eye the fall leagues will be forming and the never-ending circle will go on. Let's hope that the 2021-2022 season will continue to bring stability to the world, a return to what the majority of the human race feels is normal and bowlers will want to return to the centers to see friends and participate in the sport of bowling.

[Tallahassee USBC](#)

[Lisa Tajdari](#)

The light is shining so brightly at the end of our COVID-19 Pandemic tunnel as restrictions continue to be lifted.....

The Tallahassee USBC Association is standing tall and going strong. Our Fall/Winter leagues have closed out their season and the summer leagues are ramping up. Our bowlers continue to support our youth and our officers are committed to making sure that all rules are implemented for the good of our bowlers.

At our annual meeting, all our current officers and directors opted to continue their roles for the upcoming Fall/Winter season. So again, we take this time to say thank you to our bowlers for staying strong and hanging in there with us. Our numbers may be lower, but we are so looking forward to coming back strong in the upcoming season (2021-2022).

We are proud to announce that we had many firsts this season. Congratulations to Cheryl Moore and Jeffery Levine for getting in their first 300 games and Justin Morgan rolling his first 800 series. Also, one of our youth, who transferred over to our adult league, Eric Bruno, bowled his first 800 series.

#### Youth League Updates:

- The Fall/Winter season ended with 42 youth bowlers.
- There were several youths who earned scholarship funds that totaled \$4,194.
- One of our youth bowlers is scheduled to go to Junior Gold in Indianapolis this year.
- We will be taking 24 bowlers to Tampa in June for the State Youth Tournament

[Orange Belt USBC](#)

[Diana Eichlin](#)

OBBA is kick-starting our winter season with three tournaments and our annual meeting over two weekends in July. The 9th Annual Senior Doubles Tournament, sponsored by the late Kay Wentworth, former owner of Interstate Lanes, endowed \$1,300 to be added to the prize fund for this event. Open to seniors 55 years or older, the tournament will be held at 1pm on Sunday, July 11, at AMF Lakeland Lanes. There will be two age divisions: Div. 1, 55-66 and Div. 2, 67 and above. Doubles can be all men, all women or mixed. All entrants must be a member of our association. Entry fee is \$20 per person. At the same time, the 6th Annual Youth Scholarship Tournament, also sponsored by the late Kay Wentworth, is a singles tournament open only to Orange Belt youth bowlers. The Wentworth endowment adds \$500 to the prize fund. Scholarships will be awarded on a ratio of one for each 5 entries. All awards will be deposited in the winner's SMART account. Entry fee is \$15 per person.

**WINTER LEAGUE MEMBERSHIP:** Covid impacted our league membership. Barbara Gnegy, association manager, reported membership was 70% of our usual 1934 bowlers for Aug. 1 through April 30. She reported 1,463 actual memberships for the season. Barbara recorded 32 adult leagues and seven youth leagues, amounting to seven less leagues, but 98 less teams.

ORANGE BOWL LANES UNDER NEW OWNERSHIP, TO HOST ANNUAL MEETING & TOURNAMENT IN JULY Orange Bowl and Lucky's Sports Bar in North Lakeland recently has been acquired by Maple Family Centers, a family-owned company with bowling centers mainly in Long Island and Queens, New York, and Clearwater Countryside in Florida. Orange Belt's Open Doubles Tournament and Annual Meeting is tentatively planned for Saturday, July 24, or Saturday, July 31 at Orange Bowl Lanes. When confirmed, entry forms will be available at Cypress Lanes, Lakeland Lanes and Orange Bowl. The open meeting is open to all Orange Belt bowlers. The meeting will include election of officers and association reports. A doubles tournament will follow. Orange Belt officers and directors would like to welcome John LaSpina, new owner of Orange Bowl Lanes. LaSpina has been an active member of the Bowling Proprietors Association of America and served as national president from 1992-94. He currently is chairman of the Bowlers to Veteran's Link (BVL), which is supported by bowlers around the nation. Orange Bowl is currently open while the center is being modernized, LaSpina said. Although they do not have an actual timeline for improvements, the company anticipates installing Brunswick's state-of-the-art SYNC scoring system with large flat screens as soon as they can be delivered. Maple Family Centers is a family business in its third generation.

[Greater Miami USBC](#)

[Sharon Colon](#)

Greetings from your southernmost association. We hope this finds you healthy and ready to get back to some sort of normalcy. Our association has been busy with tournaments and Zoom meetings and are happy to be gearing up for a full agenda for this coming season.

Since our last newsletter, we have held a number of tournaments and the top spots are listed below:

**GMUSBC Women's City Tournament**

Handicap Doubles- 1.) 1,555 - Jasmine Regalado/Iris Sikiu Martinez

Scratch Doubles- 1.) 1,229- Farah Diaz/Graciela Dube

Opt. Handicap Singles- 1.) 798- Graciela Dube

Opt. Scratch Singles- 1.) 726- Graciela Dube

Opt. Handicap All Events- 1.) 1,591- Beverly Tiger

Scratch All Events 1.) 1,357- Melissa Perez

We had a great turnout and some of our bowlers performed exceptionally well. I can't wait until next year's tournament!

### **GMUSBC Youth City Tournament**

Div. 1 – Team, Handicapped- 1.) 2,108- Smash Hit Wonders,

Div. 2 – Team, Handicapped- 1.) 1,966- TCC Strikers

Div. 1 – Doubles, Handicapped- 1.) 1,281- Lexander Perdomo/ Tyler Salinetro

Div. 2 – Doubles, Handicapped – 1.) 1,437- Emilia Nodarse/Gillian Pons

Div. 1 Singles, Handicapped- 1.) 802- Nico Candelerero

Div.2- Singles, Handicapped- 1.) 763- Alejandro Johnson

Div. 1 All Events, Handicapped- 1.) 2,349- Nico Candelerero

Div. 2 All Events, Handicapped- 1.) 1,989- Connor Piphoo

There was lots of added money for this event so lots of our youth earned some decent Scholarship funds.

### **GMUSBC Open City Tournament**

Team Handicap- 1.) 3,005- Danielle Rocks!

Team Scratch- 1.) 2,697- Popular Bank 2

Doubles Handicap- 1.) 1,543 – Mireya Gomez/Jorge Ossorio

Doubles Scratch- 1.) 1,488- Fernando Guadalupe/ Charlie Forero

Singles Handicap- 1.) 856- Marco Dieci

Singles Scratch- 1.) 794- Fernando Guadalupe

All Events Handicap- 1.) 2,471- Marco Dieci

All Events Scratch- 1.) 2,221- Fernando Guadalupe

This was a very successful event and everyone seemed to have a great time.

So far, at the Open State Tournament, we had two local bowlers shoot a 300 game: Charlie Forero (with an 825 set) and Joey Colon. Great bowling and good wishes to those yet to bowl.

I have some sad news to report concerning Charlie's father, Carlos, who passed away this last month. He was an avid bowler in our association for many years until health issues curtailed his participation somewhat. He will be sorely missed.

In the next month we will be having our Top 8 Tournament for our youth bowlers and adults to see who the champs will be this year! We are looking forward to some fierce competition.

We are also looking forward to the State Convention and all that entails. Hope to see you there.

In the meantime, "May the good scores be yours!"

## Pepsi & Florida Handicap Youth Tournaments Allen Solomon

The Pepsi Tournament was held at Brandon Crossroads Bowl for five weekends from March 27 through May 2. Over 2300 youth bowlers from every corner of Florida participated in this year's event. Masks and social distancing measures were in place for the event. A lot of great bowling and fun was just what our youth bowlers needed after the year we've all been through. Scholarships awarded totaled \$97,196.

Some highlights from the tournament are: 11 Strikes in row, in back-to-back games by **Alex Evans** of Jacksonville, 298 and 279 games; 11 Strikes in row by **Gavin Murray** of Orlando, 290 game; **Bailey Morrow** of Brandon; **Jacob Stoughtenger** of Zephyrhills. 824 series by **Alex Evans** of Jacksonville; 300 Game by **Bryan Blatt** of Tampa and **Michael Harmon Jr.** of Rockledge.

The Director's Good Sportsmanship Award goes to youth bowler **Bailey Morrow** of Brandon, who volunteered to help nearly every squad of the entire event. A great kid and pretty good bowler, too!

### Champions and scholarships awarded of the Pepsi Tournament are:

U8	Girls:	<b>Ellie-Kate Murray,</b>	Orlando	\$350
U8	Boys:	<b>Grayson Albarran,</b>	Miami	\$450
U10	Girls:	<b>Jayne Juhasz,</b>	Ormond Beach	\$450
U10	Boys:	<b>James Cummins,</b>	Crystal River	\$500
U12	Girls:	<b>Larielle Tharps,</b>	Orlando	\$500
U12	Boys:	<b>Dylan Beck,</b>	Port St. Lucie	\$600
U15	Girls:	<b>Katarina Hagler,</b>	Coral Springs	\$525
U15	Boys:	<b>Connor Grugan,</b>	Wesley Chapel	\$600
U18	Girls:	<b>Kaitlyn Knight,</b>	Titusville	\$525
U18	Boys:	<b>Alex Evans,</b>	Jacksonville	\$600

### Champions and scholarships awarded of the Florida Handicap Finals are:

U12	Girls:	<b>Adelynn DuPree,</b>	Orlando	\$525
U12	Boys:	<b>Skyler Beville,</b>	Crystal River	\$600
U18	Girls:	<b>Emilie Miles,</b>	Cocoa	\$525
U18	Boys:	<b>Dalton Cone,</b>	Milton	\$600

Next year's events will be held at Striker's Family Sports Center in Sunrise (Broward Co.). Rules packets will be emailed to centers and youth directors in late September. If you are, or have, a new youth director in your center please send your email address to Allen Solomon at [beachbowlyouth@aol.com](mailto:beachbowlyouth@aol.com) In-center house qualifying will take place during November and January. We would hate to have any Florida youth bowler miss out on this tournament opportunity as next year we will top \$100,000 in scholarship payouts for the first time ever.

The Florida State Youth Leaders held the Annual Landen Memorial Scholarship Tournament on January 16 and 17 at Bowland, Cape Coral. Each year, the Youth Leaders dedicate this tournament to someone special. This year, they dedicated the tournament to Scott Tice and Dalia Keys. Both have spent many years devoted to Florida youth bowling and the Youth Leaders felt they were very deserving to be honored this year.

I would like to preface the rest of this article by mentioning that one of the Youth Leaders, Christian Farfan, is my son. My recap of this event is not only on what I observed, but also what my son told me throughout the event.

Unfortunately, most of the Youth Leader board members were unavailable to work the tournament for various reasons. Only three board members were able to be present: President - Dalton Taylor, Vice President- Christian Farfan and Director- Payton Vogel. They had approximately 60 entries, many of which were walk-ins. Keep in mind that Bowland, Port Charlotte is only a twenty-four-lane center. The whole center was full for this event. They had more walk-ins than they expected. This was the first tournament Dalton and Christian ever ran as tournament directors. Payton had some experience working tournaments which was a huge help to the group. Payton worked in the back with scoring & lane assignments while the boys stayed in the front to handle scoring corrections and other issues.

As the tournament progressed the first day, the group quickly realized that running a tournament is not an easy job. They dealt with every issue that could possibly arise at a tournament including issuing warnings for unsportsmanlike conduct and asking bowlers to remove balls from play because they were not using all of the holes in the ball. They sadly experienced rude parents who criticized them for their decision making. It got to a point where parents had to be reminded by a general announcement that the tournament was run by youth bowlers, and they needed to remember that when addressing them. As Christian's mother, it was a test on my part not to intervene on my son's behalf at times. I had to remind myself that this tournament was a learning experience for him; and in order to learn, he had to handle these issues himself. I was just there to be supportive and give him advice. He made the comment to me, "Mom, how have you done this for so long? Running a tournament is hard". I told him, "Tournaments are hard work. They require a lot of planning, and you have to accept that you will not please everyone with your decision making. Tournaments always have hiccups. All you can do is handle the issues the best way you can."

By the second day, the tournament ran more smoothly for the last block and stepladder. They awarded \$3,550 in prize fund money as well as 3 Junior Gold qualifying positions. One position each in U15 Boys Scratch, U18 Boys Scratch and U18 Girls Scratch. At the end of the tournament, bowlers and parents came and thanked the group on a job well done. Some were parents that had given them a hard time on the first day. A bowler who was issued a warning for cursing on the lanes apologized for his behavior. The management and staff of Bowland Cape Coral were also extremely impressed with how they handled the tournament.

The group finished the weekend knowing what they will do differently for next year's tournament. They also agreed on one other thing. They agreed that bowling in tournaments is more fun and less stressful than running tournaments. I am sure others would agree with them.

Greetings to All

The Greater Tampa USBC Association has been very busy since the start of the new season. We had our youth, women's and open city championship tournaments starting in January and with the exception of the women's, we had increases in participation.

We hosted the Florida Pepsi Finals/FI Handicap for five weekends and things went great and there were many high scores rolled at Brandon Crossroads Bowl.

We also had our annual meeting in April and were able to get some proposed amendments passed that we had submitted for two years, but with Covid-19 we were not successful in getting a quorum. The following were elected by the membership: Vonda Stringfield, 1<sup>st</sup> Vice President, Directors, Buck Barineau, Vinda Woodson, Chrissy Lee and Dalia Keyes. Todd Morrow, one of our directors who works with youth challenged many of the youth bowlers to attend our annual meeting. They showed up in numbers and many pre-bowled for league so they could attend.

Congratulations to James Rhoads who was inducted into our Hall of Fame for Superior Bowling Achievement at our annual meeting. His accomplishments were very worthy of him being elected to our Hall of Fame.

We are now preparing to host the Florida State Youth Scholarship tournament along with East Pasco USBC for the month of June and look forward to great scores there as well. A special thanks to Pin Chasers Inc. and Tampa Sports Authority (Visit Tampa Bay) for their generous donations to add scholarship funds in the amount of \$9000.00.

We will not be finished hosting tournaments just yet after June, as we are hosting the Florida State USBC Women's Senior tournament in November. I think after that we will all deserve a break.

I was a national delegate to the USBC Virtual Convention and found it to be very interesting and challenging at the same time. Congratulations to Chrissy Lee who was elected to the USBC Board of Directors from Tampa. I know she will serve our bowlers and all bowlers well. I want to also thank Mike Spridco who was a trooper through the problems that he had to deal with when voting took place. He was a true professional.

Just like many of other associations, this has been a challenging year and our membership is down like many others, but we see things getting better now as our summer leagues are coming back strong and hope this trend continues.

Until next time, hope everyone stays safe and healthy.

## [FSUSBC Revolutionizes its Scoring Records](#) [Michael Nyitray](#)

Starting in early 2020 the Florida State USBC began a concerted effort in identifying the Top 10 three-game scores ever rolled in the State of Florida for Men, Women, Boy's youth and Girl's youth. Utilizing multiple resources, we were able to confirm the state's scoring records for most of the Top 10 scores in all four categories fairly quickly. Unfortunately, getting only 'most' of the scores was not good enough as we are trying to identify all of the Top 10 three games series ever rolled in Florida. That's where our research required some unorthodox searches, in particular for youth scoring records. By the summer of 2020, well over 100 hours of research was invested into establishing the Top 10 scoring records as seen on our state association website.

What really took time was the compiling of the Top 10 scoring records from each of the thirty (30) local USBC associations from around the state. This turned out be quite difficult because of the limited postings of youth bowlers scores. While we are happy to have what we have, there is still many scores left to find and verify so that we can recognize other deserving bowlers across the state. We welcome any help each association can offer.

Since all of Florida's scoring records are now over 800, anyone who bowls a potential record score in Florida must first report that score to the league secretary or tournament director. That official should provide an "honor score" application for that bowler. Once completed that "honor score" application is submitted to the local USBC association, who will then submit that application to the USBC verification. Once approved, that honor score gets added to that bowler's achievement history within the USBC system, which can be found online on the

USBC's website: [www.bowl.com](http://www.bowl.com). Within that local USBC association, any submitted 800 series is considered for their local scoring records.

Typical scoring records are for three-game series. That's because most of organized bowling that takes place in certified leagues, which mostly play three games, though some leagues to have a 4th game. Those 4-game leagues are eligible for both 3-game and 4- game scoring record consideration. All USBC certified tournaments are also eligible for scoring record consideration and those could be made up of any number of games. The keys for a scoring record consideration are 1) the game's must be rolled in a single scoring block, 2) game one being the start of the series total, and 3) the score must have been rolled in a Florida bowling center. USBC certified tournaments are typically formatted in three, four, five, six game blocks; which is obviously where those records come from.

The process of identifying Florida's Top 10 scoring records is now straight forward. When somebody bowls a certified 800 series in a Florida bowling center and you want to know if it's a possible Top 10 score, who do you contact to find out what the record is? That's where the Florida State USBC has worked to provide those answers conveniently online.

### **What are Florida's Scoring Records?**

Since Lou Scalia rolled Florida's first 800 series (808) back in 1965 at Miami's Cloverleaf Lanes, Florida's scoring records have ascended to a totally different stratosphere. Below are the current Florida state scoring records for all four bowler categories:

MEN	900	Joe Scarborough ('13)	300-300-300	Spanish Springs (The Villages)	Leesburg USBC
WOMEN	858	Jenn Boisselle ('13)	279-300-279	Jupiter Lanes	Palm Beach Co. USBC
BOYS	878	Justin Paxton ('14)	300-278-300	Lane Glo Bowl	Sun Coast USBC
GIRLS	848	Jenn Boisselle ('09)	279-300-269	Boardwalk Bowl	Orlando Regional USBC

Within our four state records, there are interesting facts that show different scenarios how a state record score can be achieved. Florida's lone 900 series was rolled by a man from North Carolina who was competing in a PBA tournament in The Villages. And yes, he did start the tournament with three 300 games... and no, he did not win the tournament. For the ladies, Jenn Boisselle has both Women's and Girls state records, each rolled in different parts of the state.

You can find the All-Time Top 10 Series page directly in the Florida State USBC website. [www.floridastateusbc.com/content/high-series-florida-state](http://www.floridastateusbc.com/content/high-series-florida-state).

It's been said that records are made to be broken. We at the Florida State USBC are always ready to receive honor score applications from an 800 series, 300 game or any other individual or team honor score bowled in our great state.

### **Local USBC Association Top 10s**

Lastly, we are providing below an additional link to a listing of all FL local USBC associations Top 10 scoring records. Some of the local information is extremely limited, hence the incomplete information on display. We invite you to check what we have put together so far. [www.ushsbf.org/alltop10.htm](http://www.ushsbf.org/alltop10.htm)

Once again, I would like to thank all of the contributors for this newsletter. I think you will find some interesting information in the articles. Please remember that anyone can submit an article.

Have a great summer and see you in the fall!

**WHY CAN'T**

**WE BE FRIENDS?**
